

THE FULL RANGE OF STORM FRONTS

Guaranteed for life.

HARDIGG
STORM CASE
Defy the Elements®

Storm Cases are the most solid protective cases in the industry. More than just a protective shell, they're integrated protection systems. Manufactured with our own HPX® high performance resin, easy Press & Pull latches and durable soft-grip handles, they're the most comfortable, toughest transport cases available. Our multilayer foam option allows you to easily customize the foam to your exact needs. If you've got sensitive, expensive or vital equipment to move, you need the power of a Storm behind you. We'll even guarantee it for life. That's how sure we are that our Storm Cases will never fail.

Storm Cases are more than just watertight, padlockable and **made in the USA**, they're also Unconditionally Guaranteed for Life.

Ideal For Use In: Electronics, Video Broadcast, Aerospace, Chemical/Petroleum, Marine, Law Enforcement, Fire & Emergency Services, Military/Government, Sports & Recreation, Public Safety and Photography. Anyplace you need superior protection.
